DISTRIBUTOR**

Top-Fix: the Future of Waste Installation!

Mark Vitow Ltd is the Official UK Distributor of the revolutionary Top-Fix...the innovative, patented sink and shower waste that's set to transform the way you work!

Why Top-Fix?

- ✔ **Installer-Centric Design:** Top-Fix is a plumber's dream come true. Its innovative design simplifies installation, saving you precious time, money, and effort. No more fumbling with awkward angles or struggling to hold parts in place from below. With Top-Fix, you can effortlessly drop in and fit the waste from above.
- ✔ **Leak-Proof Guarantee:** We understand that a watertight seal is non-negotiable. Top-Fix offers a 100% guaranteed seal, ensuring there are no leaks to worry about. No more callbacks to rectify drips – Top-Fix gets it right the first time.
- ✔ **Silicone-Free Zone:** Bid farewell to messy silicone applications. Top-Fix eliminates the need for silicone, simplifying the installation process and leaving your work area clean and tidy.
- ✔ **Universal Compatibility:** Top-Fix is engineered to work seamlessly with all UK plumbing systems, whether you have an older setup or a modern one. It's a universal solution for all your sink and bath waste needs.
- ✔ **Effortless Replacement:** Upgrading your sink or bath waste has never been easier. Top-Fix allows for a hassle-free replacement of an existing waste – no need to reach around or assemble from below. Just remove the old waste and drop in the new one from the top – it's that simple.

Make your plumbing projects a breeze and say goodbye to the struggles of traditional waste installations with Top-Fix.
